MISCELLANEOUS DEPARTMENTS.

DEPARTMENT OF AGRICULTURE, MYSORE STATE.

Notice No. 1962—*A. & C., dated 27th February* 1919.

Notice is hereby given that sealed tenders superscribed "Tender for supply of oil cake," will be received at the office of the Director of Agriculture in Mysore, Bangalore, up to 11 A.M. on 1st April 1919, for the supply of groundnut, castor, honge or kusum oil cake produced from power driven mills.

2. Tenders should be accompanied by a deposit of Rs. 250 in cash or in Government pronotes and by 10 lbs. samples of cake or cakes proposed to be supplied.

3. Rate per ton of cake in sound secondhand gunny bags free on rail Bangalore and Kadur should be quoted separately.

4. Consignments should invariably be sent freight prepaid.

5. The quantity required to be supplied will be about 100 tons of groundnut oil cake or a correspondingly larger quantity of other cakes inferior in Nitrogen content, but the quantity cannot be guaranteed. The successful tenderer will however be bound to supply larger quantities if required at the accepted tender rate.

6. The supply should begin from 15th April 1919 and be completed within two months thereafter. In the case of further supplies, if ordered, the consignments should be loaded at the starting station within eight days after receipt of order.

7. Weights of consignments as verified at the destination station will be accepted, notwithstanding any weight that may have been shown on the railway receipts at the starting station.

8. Torn bags that may have been used in any consignment will be replaced by sound ones at destination station at the cost of the successful tenderer and the torn bags will be held at his disposal.

9. Loss, if any, due to leakage between the starting and destination stations should be made good by the supplier. Supplies, not true to sample will be rejected and should also be made good.

10. The consignments should be made up of bags uniformly filled with 140 lbs. or 5 mds. of 28 lbs. of cake, cost of bagging, stitching and all other charges being borne by the successful tenderer.

11. Bills for supplies made from time to time should be submitted in duplicate, one copy to this office and a second to the Officer in charge of the Depot at Bangalore City or Kadur as the case may be.

12. Payment of bills will be made by this office as soon as possible after the consignment is taken delivery of and checked by the officer in charge of the Depot.

13. The Director of Agriculture reserves to himself the right of accepting or rejecting any tender without assigning reasons therefor.

14. Within eight days of the acceptance of a tender the successful tenderer will be required to execute the usual contract bond in default of which his tender will be considered as cancelled and his earnest money will be forfeited to Government.

15. On acceptance of one or more of the tenders the earnest money on rejected tenders will be returned

H. V. KRISHNAYYA,
Offg. Director.

MYSORE STATE TROOPS, BANGALORE.

Dated 25th February 1919.

1. The right of collecting the manure of the horses and mules and of removing the night soil of the houses in the lines of the Mysore Imperial Service Lancers, near Munireddipallyam, Bangalore, from 1st April 1919 to 31st March 1920, will be sold by public auction near the Regimental orderly room at 8 A.M. on Saturday the 15th March 1919.

2. An earnest money of Rs. 50, should first be deposited by the bidder. The amounts deposited by the unsuccessful bidders will be returned to them after the auction is over.

3. After the auction is confirmed in the name of the highest bidder, the full amount of the bid should be paid by him deducting the earnest money and no instalments will on any account be allowed. He should also execute a stamped agreement for the due fulfilment of the contract within a week from the date of confirmation of sale. If he fails to pay the amount and to execute the agreement within the time specified, his earnest money will be forfeited to Government and the manure will be re-auctioned at his risk.

4. The purchaser at auction will have to take the chance of the Regiment returning or not from the Field, during the year.

5. The manure collected in the lines every day should be removed by the contractor on the following morning and the places kept quite clean failing which, the collected manure will be burnt or re-resold and the proceeds credited to Government.

6. The carting of the manure from the lines should be carried out in the road allowed for the use of the contractor.

7. The manure of the Detachment when proceeding to Mysore or other places on duty may be removed by the contractor daily provided the halt at such out stations is for more than 3 days.
